MR. DEVIDAS PANGAM,

Coram:- A.M.KHANWILKAR &
P. V. HARDAS, JJ.

Date:- 10th November, 2003

We find no reason to entertain the request for bail, having regard to the findings recorded by the Court below and the gravity of the offences, being under Sections 302 and 392 read with Section 34 of the Indian Penal Code. The proper course, in our opinion, is to expedite the hearing of the appeal. That has already been done while admitting the Appeal. Application rejected.
